Our Next Grand Dividend Day will take place in December, when w will distribute among the consumers of FRENCH VILLA this entire list o premiums, comprising nearly fifteen thousand dividends. By es refully examining the list you will see that it embraces many valuable articles We make the distribution of presents according to this list, commencing with 6 Pianos, 30 Organs, etc. You will find printed on the inside of each wrapper around every bar of Soap you buy, a Consumer's Certificate, or Coupon. It commences with 6 Pianos, 30 Organs, 15 Pairs Diamond Ear Drops, 3 more Pianos, etc., etc. The party who sends the greatest number of certificates will be given the first Piano, the next greatest number the second Piano, the third greatest number the third Piano, and so on until the six Pianos have been distributed. Then comes the thirty

Organs; the next highest number of Certificates will take an Organ, and so on until the 30 Organs have been distributed, then the 15 Diamond Ear-drops; then 3 more Pianos, 15 more Organs, and so on down the entire list, until the complete list has been distributed.

a careful examination, it will be seen that all through the list are as valuble articles as at the head, thereis, many parties sending only a few Certificates receive as valuable articles as others who send a much larger quantity.

Our object in giving these dividends being only to introduce the FRENCH VILLA SOAP, no lottery methods or devices of drawing are adopted, but the strictest impartiality will be observed, and the list distributed exactly in the order it is arranged, so that we may merit the confidence of our patrons, and make the FRENCH VILLA the leading Soap in this country.

Our whole method being devised for the purpose of introducing FRENCH VILLA SOAP to the favorable consideration of all, we deem it but justice to its superior qualities, to couple articles for its consumers which may for a long time hereafter be as a "show card" in its patron's possess calling their attention, and those within their household, to the Monarch of al.,

Two families out of every three who purchased French Villa Soap for their household use, were rewarded with The rights to make and introduce in the United valuable premiums, each article varying from \$500 to \$5.00.

What we advertised to give away, we gave away! Concert Square and Upright Pianos, the magnificent Wilcox & White Organs, the world renowned "White" Sewing Machines; our Silver Ware was all of the well-known Rogers Bros., 1847, and the Meridan rittania Co., of Meridan, the largest in the world. Every article we presented to our patrons was the best that could be procured, and for years to come will remain in their hands as a Souvenir. FRENCH VILLA SOAP

Will place the clothes on the line quicker, whiter and cleaner than any soap you can purchase. After using it you will readily observe the remarkable benefit of its purity and cleanliness.

The Color of French Villa Soap.

The Soap has a peculiar dark olive-green color, caused by the color of the imported ingredients largely used in its manufacture, but the most remarkable fact is, that the lather or foam it produces is of a beautiful snowy whiteness seldom equaled, never surpassed.
